By order of the Board of Chalfont St Peter AFC

Welcome to the game

A very warm welcome to Mill Meadow for this afternoon's in the Cherry Red Records Premier Challenge Cup First Round against Broadfields United.

We welcome their players, supporters and officials to Chalfont and hope they enjoy their brief time with us.

Also welcome are our match officials, Ryan Woods, Matthew Downey and Oliver Keil.

After opening defeats in both the FA Cup and the league, it was important to get some kind of a result from Tuesday's game against Hilltop in order to maintain the momentum we had achieved in pre-season. We may have left it to the very last kick of the game to secure our first point of the season, but we are underway and can look forward to building on what was a resolute performance against a very good side.

Our defeat at Egham, who on that showing, are a shadow of the side we faced last season, could so easily have gone the other way. Being awarded a penalty after just 33 seconds is the stuff of dreams but Josh, in what was to be his last game for Saints, made it easy for the keeper to make the save. Going behind didn't stop us from impressing after the break, and we

should have pulled level but for a bizarre offside call to deny us. A late goal flattered Egham but, as Tuesday showed, a goal is a goal is a goal, no matter when it is scored.

We go to Wembley on Tuesday and to Spelthorne on Saturday to take on Langley in the FA Vase.

Next home action is on Bank Holiday Monday when Edgware & Kingsbury are our visitors for an early 11.30am kick off

Our popular keeper, George Zammit, suffered a serious knee injury in a preseason game. We are helping to raise funds to help George receive the best treatment. If you would like to donate, please go to [gofundme.com](https://www.gofundme.com) and look for George's page. Every help is much appreciated. Thank you.

Enjoy the game and safe home afterwards.

Today's visitors

Broadfields United

1993: The Club was formed.

1994/95: We ran ten teams, eight in the Southern Olympian League on Saturdays, five of those teams won their leagues with two teams finishing as runners-up.

1995/96: Broadfields 1st team won the Presidents Cup at Harrow Borough.

1996/97: They then went on to win Division One by six points, thus winning promotion to the Premier League.

1998/99: Broadfields United Reserves came runners-up in Division One.

2001/02: Broadfields ran six teams, 1st and Reserves playing in the Middlesex County Football League, Premier and Division One (Saturday's). Two teams played in the Harrow Sunday Challenge League and one played in the Hillingdon & District Sunday Football League. This was also the season of Broadfields Social Clubs disaster. We burnt to the ground, leaving only the changing/shower facilities. This however did not stop us from playing football, as indeed we did.

2003/04: Broadfields runs less teams, 1st playing in the Middlesex County Football League, Premier Division, Manager:

Marvin Hall, Coach: Mike Jennings, Physiotherapy: Mick Croft. Our Vets team played in the London Commercial League, Division 6 and went through to a cup Final. We also had two Sunday teams playing in the Harrow Sunday Challenge League. Chris Webster's team won the Harrow Sunday Challenge League Cup.

2005/06: Chris Webster's team won the Harrow Sunday Challenge League and Jack Walker Cup.

2006/07: Chris Webster's team won the Harrow Sunday Challenge League and Benevolent Shield.

2007/08: Chris Webster's team were runners up in both the Sunday Premier Cup and Champions Cup.

2008/09: Chris Webster's team won the Champions Cup and Jack Walker Challenge Cup. They were runners up in the Premier League.

2009/10: Dene Gardner's (Saturday) team were runners up in the Middlesex Intermediate Cup. Chris Webster's team won the Middlesex County Premier Cup and Champions Cup. They were runners up in the League and the Harrow Premier Cup.

2010/11: A disappointing season by Broadfields standard. The Sunday team came runners up in the Champions Cup Final, narrowly losing 2-1.

2011/12: Alec Smith Premier Cup Champions. Chris Webster and Ryan Duffy lead the Saturday team to their first bit of silverware in many years.

2012/13: Alec Smith Premier Cup Champions. Ryan Duffy and Chris

Webster defended their title whilst the newly reformed reserves under the management of David Webster and Robbie Pearce who lost in the Junior Open Cup Final and came runners up in the league. A successful season for the club.

2013/14: David Webster and Robbie Pearce proved very successful with the reserves by winning the Middlesex Senior Reserve Division and the Junior Open Cup. A platform for a new challenge next season.

2014/15: A terrific end to the season saw Ryan Duffy and Chris Webster lead their side to promotion to the Spartan South Midlands League Division One. The side lost just one of their final ten games and were granted promotion on the final day. The second side, led by David Webster and Robbie Pearce, moved their team to the Hertfordshire County League Division One and managed a mid-table finish and were unlucky to not make a final, being knocked out at the semi-final stage twice.

2015/16: The clubs first season in Spartan South Midlands League football saw us achieve an 11th place finish. The side also reached the semi-final of the Division One Cup. The Sunday Side completed a quadruple, winning the Harrow Sunday Challenge Premier Division, the Premier Cup, the Champions Cup and the Jack Walker Cup.

2016/17: The First team, under the guidance of Mark Barnham, Liam Bird & Ryan Duffy, won the Middlesex Premier Cup by defeating Hillingdon Borough 4-1 at Northwood FC's ground.

They also reached the second-round proper of the FA Vase. The Reserve side managed by Dean Foster, won promotion to the Herts Senior County League.

2017/18: The First team, under the guidance of Liam Bird, Mark Barnham & Ryan Duffy, successfully defended the Middlesex Premier Cup by defeating landlords, Harefield 1-0 at Harrow Borough FC. Success continued 5 days later when they triumphed in the Spartan League Challenge Trophy cup final when they beat Risborough Rangers in the final 3-1. Finally, first time in the club's history, we booked a place in the FA Cup for the forthcoming season after finishing 4th in the league. The Reserve side managed by Dean Foster also reached the Anagrams Record Trophy Final but went down 2-0 to Catholic United from the Essex League.

2018/19: The end of the 2018/19 season saw the first team achieve their main aim as promotion was secured. A tally of 94 points saw us finish behind runaway leaders, Harefield United, but guaranteed us a place as one of the top 9 teams from the 19 leagues at Step 6 and thus achieving promotion to Step 5 for the very first time. It was a long season which saw us play in our first ever FA Cup game, beating Banstead Athletic 3-0 in a memorable Extra Preliminary round tie. Unfortunately, in the next round we went down 4-1 to AFC Uckfield Town but nonetheless it was a great experience for the club to appear in the oldest cup competition in the world.

It wasn't to be quite as memorable for

the reserve side who struggled in the league and although they managed to stay up on the last day of the season, the tough decision to withdraw the side in the close season was made.

2019/20: The season started full of optimism with the club playing Step 5 football for the first time and although the season started off brightly the team found the step up in opposition quality hard to deal with at times. We managed to find our feet and began picking up some good results along the way before COVID-19 curtailed the season. The highlight of the season was unquestionably a 2-1 victory away at Conference South side, Hampton and Richmond to reach the Semi-Final of the Middlesex Senior Cup in our first season in the competition. Although we were defeated in the next round away at Bedfont Sports.

2020/21: Ahead of the new season the club secured a new groundshare with Rayners Lane FC, a move back closer to the club's traditional 'home' of Harrow. Sadly, it meant departing Harefield United's Preston Park after many successful seasons.

2021/22: The season started very brightly for the club, reaching the 2nd Qualifying Round of the FA Cup for the first time in our history before exiting at home to Hastings United in front of a bumper crowd at Tithe Farm in a close encounter. Manager Liam Bird stood down as manager after Christmas and was replaced in the post by David Fox.

2022/23: A difficult season that saw us struggle for any consistency but one that

culminated in the lifting of the Middlesex FA Senior Charity Cup Trophy under the guidance of Sunny Tailor and Ryan Duffy who took over the reins midway through the season after the departure of Dave Fox. On route to the final the side took on a number of higher step opposition in Southall, Hanwell Town and eventually Northwood in the final that was played at Uxbridge FC. A sole Jordan Greaves goal was enough to settle the tie 1-0 in our favour.

Our Club History

Chalfont St Peter AFC

The club was formed in 1926 and played local junior football from its ground on Gold Hill Common.

1948 saw a move to the Great Western Combination and a year later the club moved to its present location, although the picturesque name of Mill Meadow belies its origins as a refuse tip. As the club developed off the field thanks to the support of many volunteers so success began to arrive on the field and in 1952 the first silverware was won, the Berks & Bucks FA Intermediate Cup. Senior status followed and progress through the Parthenon League, London League and Spartan League followed.

The early 1970's were difficult for the club but a move into the Athenian league saw a change in fortunes.

The 1980's, now in the Isthmian League, brought some consistency in league performances and some successful campaigns in the FA Cup and FA Vase.

The 1990's was another difficult decade, culminating in a low point of two successive bottom places.

2001/02 saw a rebuild under Martin Dean with a good start to the season but

a subsequent falling away saw them finish 14th. The lower echelons became the accustomed territory for Saints for several seasons until Dean's departure at the end of the 2003/04 season.

Managing Chalfont to victory in the Berks & Bucks Under-18 Challenge Cup was a young Danny Edwards. His reward was to be handed the reins of the First Team for the new season. And so began a rollercoaster ride of success and near misses that continued until just recently.

A restructuring within the Isthmian league at the end of the 2005/06 season saw Saints moving to the Spartan South Midlands Premier League.

2006/07 saw a top half finish in their first season in the Spartan and a trophy for the cabinet, the Wycombe Senior Cup, secured with a 7-0 win over Downley Albion at the Wycombe Wanderers ground.

2007/08 was a hugely successful season. Danny Edwards was developing an exciting squad and the style of play was both entertaining and successful. Good runs in both the FA Cup and FA Vase came together with a Final appearance in the Premier Division Cup. Topping them all was winning the Challenge Trophy with a 2-0 win over Brimsdown Rovers. A close three-horse race in the league saw Saints pipped at the post into runners-up spot.

2008/09 was about building on the standards set in the previous season. And it didn't disappoint. Some top scalps in the FA Cup heralded a season of cup runs. The FA Vase was the crowning glory, with the Saints making it all the way to the semi-final and being heart

breaking seconds away from winning the right to play at Wembley. Saints were in the hunt for the league title all the way to the last week of the season but the fixture congestion caused by the cup successes began to tell and they couldn't quite make it across the line, eventually finishing a brave third.

Expectations were high going into season 2009/10 after going close to promotion in the two previous seasons. A slow start and a nightmare run of losses in October saw the title chase wobble and rapid exits from all cup competitions. But an incredible run of form with just one defeat in 23 took Saints to the top to the pile where they became the target for other teams' top performances and it wasn't until they were overtaken by Aylesbury in the last two games that they had to settle for the runners-up spot again.

At the start of 2010/11, the aim was clear: promotion was the number one target. Getting off to an incredible start in notching up seventeen straight wins, Saints grabbed top spot and refused to relinquish it for the entire season, never being less than four points clear at any stage. The focus was clear and any progress in the cups was quickly curtailed. Such was the dominance in the league, the champagne corks popped with five games to spare as the title was secured. The curtain was brought down on the record breaking season and their five year stay in the Spartan League by winning the Challenge Trophy for an unprecedented league and cup double. For the 2011/12 season, life was expected to be a trial for Saints yet they

made a bright start in their new environs and quickly acclimatised. For long periods they were genuine contenders but a poor end to the season saw them fall away into the mid table.

2014/15 saw the goals begin to return. A promising start saw the side hard to beat but too many draws held them back. A run in the FA Cup, was coupled with a strong run in November that saw the club in a playoff position but from such heights, a miserable New Year run saw them tumble down into relegation territory. It took a stubborn recovery in April to ensure eventual safety.

2015/16 was a highwater mark for Saints in their current run in the Southern League. Putting aside an early exit in the FA Cup Saints went on to head the table at New Year and looked set for their first tilt at the play offs, if not more. Sadly they repeated the poor run of results thereafter and fell away to finish sixth. Still an excellent all-round season as Tony Mendy secured top scorer honours in the division with 30 goals.

In contrast, season 2016/17 was possibly the poorest in over a decade. A storming start to the season saw Saints in top spot throughout August but the hole left by the departed Mendy was never filled and as the goals dried up so the tumble down the table gathered pace. Some poor signings added to the problems and the second half of the season delivered just four wins and for a while relegation was a real possibility before safety was finally achieved.

2017/18 was one of our most exciting seasons in the Southern League, our seventh, with the side in playoff

contention right up until the final few games. Our peerless record against those sides who ultimately claimed the top places, with just the single defeat in 12 games, including a notable double against champions Beaconsfield Town, underlined how competitive a side we were. Still struggling for goals, it was our defence that led the way with 16 clean sheets. It was a season that saw ever-green skipper Alan Hedley pass the 500 games mark and manager Danny Edwards reach 700 games in charge. Saints embrace change but enjoy stability at the same time.

2018/19 saw Saints return to the Isthmian League after 12 seasons as football was restructured. An inconsistent defence and a shortage of goals ensured Saints were unable to escape the mid-table places. Towards the end of the season, Danny Edwards signalled his wish to step down from the role he had held with such distinction and Saints had to begin the process of finding a new manager.

If 2019/20 season became the one that never happened, it provided a new launch point for Chalfont as Finlay Johnson took over the reins. New faces and promising youth saw the season start well but a lack of goals eventually started to take its toll. A mid-table finish looked to have been secured before the lockdown put a premature end to the season.

Silverware for both the Under-18s and the Under 23s certainly raised the spirits in the club in the 2020/21 season but for the Senior side the season barely got going before it was abandoned.

2021/22 proved to be a season of shattered dreams. The optimism of an opening day win soon turned into a season best watched from behind the sofa as it seemed that everything that could go against the side did. Several changes of manager failed to halt the slide and with too many games decided by a single or a late goal, and with a squad decimated by injuries and departures, relegation from Step 4 after 11 seasons was confirmed in a play-off game.

2022/23 was a tough learning experience for Saints. A preseason that saw the management and playing squad hollowed out for the second time in recent years ultimately proved too much for manager Dean Goodliff and in the new year Michael East and Liam Dwyer took joint control of the team. The threat of relegation never went away and in a crazy end to the season when the three bottom sides couldn't help but win, Saints held their nerve at Harefield to secure the final day win to ensure safety.

Saints will look to take the lessons learned from a chastening season into 2023/24 with a greater sense of confidence and stability and will be looking to the higher regions of the table and not looking down.
