Welcome to the game

A very warm welcome to Mill Meadow for today's Bank Holiday fixture.

This morning (yes, morning!) we welcome Edware & Kingsbury and we welcome their players, supporters and officials to Chalfont and hope they enjoy their brief time with us.

Also welcome are our match officials, Neil Jenkins, Brian Capel and Steven Conway.

The Combined Counties like to have Bank Holiday games played in the morning, on the basis that it frees up the rest of the day. It's not something we have been used to so please feel free to let us have your views. Our Easter Monday game, on 1st April, is at Hilltop, also scheduled for 11.30am.

It's been a mixed week with a first win in the league on Tuesday and a defeat in the FA Vase on Saturday.

Three goals down in just half an hour at Wembley looked ominous for Saints, but a blistering turn around after the break saw us roar back to an ultimately comfortable 6-4 win with braces for Jack Hodgins, Tom Kennard and Max McGarvie.

Slow starts have been a problem for us for a little while now and we did well to turn this one around.

However, Saturday saw it again in our FA Vase tie as we failed to defend a free kick and Langley were a goal ahead after just three minutes.

With a passing storm settling over the ground, giving the sparse crowd a spectacular lightning show that forced a suspension of play, the first half was extended for long enough for Langley to force a second goal from a suspiciously offside build up.

Langley were reduced to 10 men soon after the restart and Saints, again, had to up their game to try to get back into the tie. They rattled the woodwork twice as they pressed hard. Kahlil Francis pulled a goal back late on, before Langley were reduced to nine after another red and despite nine minutes of stoppage time, Saints had their cup dreams ended at the first hurdle.

Free scoring Burnham are our visitors on Saturday so we need to get our focus levels up..

Enjoy the game and safe home afterwards.

COME ON THE SAINTS

Today's visitors

Edgware & Kingsbury

The club was founded in 1939 and played in the Middlesex Senior League until joining the Coronian League in the 1946–47 season. In 1948 they won the Middlesex Senior Cup. In 1963 the club transferred to Division One of the Athenian League. They finished third in their first season, and were promoted to the Premier Division. In 1966–67 they finished bottom of the division, and were relegated to Division One. This was followed by a second successive relegation to Division Two as they finished bottom of the table again.

In 1972 the club was renamed Edgware. When the Athenian League disbanded in 1984 they joined the London Spartan League before changing their name back to Edgware Town in 1987. They won the Premier Division of the Spartan League in 1987–88 and 1989–90, and after their second title win, were promoted to Division Two North of the Isthmian League.

After league re-organisation in 1991 they were placed in Division Three, which they won the following season. They were relegated back to Division Three in 2001.

In 2006 the now-renamed Division Two was disbanded and Edgware was transferred to the Premier Division of the Spartan South Midlands League. They won it at the first attempt, also winning the Premier Cup and the Challenge Trophy. The club was promoted to Division One North of the Isthmian League, but folded at the end of the 2007–08 season due to lack of funds.

In 2014 a group including Dan and Antony Manzi, Daz Bloor and Ken Batten secured the clubs inclusion back into non-league football. After a shaky start to the 2014-15 season, the Wares finished a credible 9th and Middx Prem Cup Runners up after the management team of Michael Roche, Fabio Valenti and Peter Grant came in.

The 2015-16 Season saw "The Wares" finish top with only 2 defeats, and lose in the Divisional Cup Final to Crawley Green.

The ground, Silver Jubilee Park has achieved a C grade rating with 3 new stands, new floodlights and extended changing rooms and new perimeter fence. The Ken Batten Stand should be in place shortly and then SJP will have 2 seated stands, 3 standing covered stands with a capacity just shy of 2000. Fabio Valenti took over as 1st team manager in June 2016.

Fergus Moore took over the team in 2017 after the departure of Fabio Valenti, and after a difficult start the team finished 10th which showed a marked improvement from the season before.

The 2018-19 season was another mid-table finish with Fergus pretty much on his own but towards the end of the season he was joined by Joe Pascoe who came over from the Hendon U18's and that's how the 2019-20 season will begin.

The 2019-20 season was cut short because of Covid19 but before that happened the Wares were looking pretty good for a top 10 finish in the league, having started the season well the team went through a horrible period losing 13 of their next 14 games before recovering to win 6 of their next 9 games. The 2020-21 season starts with the return of our title winning manager Michael Roche as Fergus's assistant and also arriving on the coaching staff are Scott McGleish, Glen Parry and Julian Darby.

2020-21 was again brutally cut short with the season being abandoned in December but not before there was a managerial change with Rak Hudson replacing Fergus Moore and having had only three competitive before lockdown 2021-22 means Rak can start afresh with a brand new squad

2021-22 Finally a complete season and our first in the newly formed Combined Counties Premier Division North, Rak assembled a brand new squad and in their first competitive match were beaten 3-0 by Hadley in the FA Cup but in the league they won 3 of their first 4 matches and drew the other to eventual runaway winners Hanworth Villa.

The club finished a creditable 8th in the division and had a decent run in the League Cup

where they reached the third round losing away at Cobham and but for a dreadful run at the

end of the season they may have finished in the top 5.

The 22-23 season saw the club change its name from Edgware Town to Edgware & Kingsbury to reflect the area where our home ground is situated.

The season itself saw the club finish 6th in the Combined Counties Premier Division North which was the highest finish since the club reformed. After a strong start the club went through a 9 game winless streak midway through the season but a few mid season changes saw the club finish the season strongly. The club also reached the 1st Qualifying round of the FA Cup knocking out step 4 side AFC Dunstable after a replay.

Our Club History

Chalfont St Peter AFC

The club was formed in 1926 and played local junior football from its ground on Gold Hill Common.

1948 saw a move to the Great Western Combination and a year later the club moved to its present location, although the picturesque name of Mill Meadow belies its origins as a refuse tip. As the club developed off the field thanks to the support of many volunteers so success began to arrive on the field and in 1952 the first silverware was won, the Berks & Bucks FA Intermediate Cup. Senior status followed and progress through the Parthenon League, London League and Spartan League followed.

The early 1970's were difficult for the club but a move into the Athenian league saw a change in fortunes.

The 1980's, now in the Isthmian League, brought some consistency in league performances and some successful campaigns in the FA Cup and FA Vase.

The 1990's was another difficult decade, culminating in a low point of two successive bottom places.

2001/02 saw a rebuild under Martin Dean with a good start to the season but

a subsequent falling away saw them finish 14th. The lower echelons became the accustomed territory for Saints for several seasons until Dean's departure at the end of the 2003/04 season.

Managing Chalfont to victory in the Berks & Bucks Under-18 Challenge Cup was a young Danny Edwards. His reward was to be handed the reins of the First Team for the new season. And so began a rollercoaster ride of success and near misses that continued until just recently.

A restructuring within the Isthmian league at the end of the 2005/06 season saw Saints moving to the Spartan South Midlands Premier League.

2006/07 saw a top half finish in their first season in the Spartan and a trophy for the cabinet, the Wycombe Senior Cup, secured with a 7-0 win over Downley Albion at the Wycombe Wanderers ground.

2007/08 was a hugely successful season. Danny Edwards was developing an exciting squad and the style of play was both entertaining and successful. Good runs in both the FA Cup and FA Vase came together with a Final appearance in the Premier Division Cup. Topping them all was winning the Challenge Trophy with a 2-0 win over Brimsdown Rovers. A close three-horse race in the league saw Saints pipped at the post into runners-up spot.

2008/09 was about building on the standards set in the previous season. And it didn't disappoint. Some top scalps in the FA Cup heralded a season of cup runs. The FA Vase was the crowning glory, with the Saints making it all the way to the semi-final and being heart

breaking seconds away from winning the right to play at Wembley. Saints were in the hunt for the league title all the way to the last week of the season but the fixture congestion caused by the cup successes began to tell and they couldn't quite make it across the line, eventually finishing a brave third.

Expectations were high going into season 2009/10 after going close to promotion in the two previous seasons. A slow start and a nightmare run of losses in October saw the title chase wobble and rapid exits from all cup competitions. But an incredible run of form with just one defeat in 23 took Saints to the top to the pile where they became the target for other teams' top performances and it wasn't until they were overtaken by Aylesbury in the last two games that they had to settle for the runners-up spot again.

At the start of 2010/11, the aim was clear: promotion was the number one target. Getting off to an incredible start in notching up seventeen straight wins, Saints grabbed top spot and refused to relinquish it for the entire season, never being less than four points clear at any stage. The focus was clear and any progress in the cups was quickly curtailed. Such was the dominance in the league, the champagne corks popped with five games to spare as the title was secured. The curtain was brought down on the record breaking season and their five year stay in the Spartan League by winning the Challenge Trophy for an unprecedented league and cup double. For the 2011/12 season, life was expected to be a trial for Saints yet they

made a bright start in their new environs and quickly acclimatised. For long periods they were genuine contenders but a poor end to the season saw them fall away into the mid table.

2014/15 saw the goals begin to return. A promising start saw the side hard to beat but too many draws held them back. A run in the FA Cup, was coupled with a strong run in November that saw the club in a playoff position but from such heights, a miserable New Year run saw them tumble down into relegation territory. It took a stubborn recovery in April to ensure eventual safety.

2015/16 was a highwater mark for Saints in their current run in the Southern League. Putting aside an early exit in the FA Cup Saints went on to head the table at New Year and looked set for their first tilt at the play offs, if not more. Sadly they repeated the poor run of results thereafter and fell away to finish sixth. Still an excellent all-round season as Tony Mendy secured top scorer honours in the division with 30 goals.

In contrast, season 2016/17 was possibly the poorest in over a decade. A storming start to the season saw Saints in top spot throughout August but the hole left by the departed Mendy was never filled and as the goals dried up so the tumble down the table gathered pace. Some poor signings added to the problems and the second half of the season delivered just four wins and for a while relegation was a real possibility before safety was finally achieved.

2017/18 was one of our most exciting seasons in the Southern League, our seventh, with the side in playoff

contention right up until the final few games. Our peerless record against those sides who ultimately claimed the top places, with just the single defeat in 12 games, including a notable double against champions Beaconsfield Town, underlined how competitive a side we were. Still struggling for goals, it was our defence that led the way with 16 clean sheets. It was a season that saw ever-green skipper Alan Hedley pass the 500 games mark and manager Danny Edwards reach 700 games in charge. Saints embrace change but enjoy stability at the same time.

2018/19 saw Saints return to the Isthmian League after 12 seasons as football was restructured. An inconsistent defence and a shortage of goals ensured Saints were unable to escape the mid-table places. Towards the end of the season, Danny Edwards signalled his wish to step down from the role he had held with such distinction and Saints had to begin the process of finding a new manager.

If 2019/20 season became the one that never happened, it provided a new launch point for Chalfont as Finlay Johnson took over the reins. New faces and promising youth saw the season start well but a lack of goals eventually started to take its toll. A mid-table finish looked to have been secured before the lockdown put a premature end to the season.

Silverware for both the Under-18s and the Under 23s certainly raised the spirits in the club in the 2020/21 season but for the Senior side the season barely got going before it was abandoned.

2021/22 proved to be a season of shattered dreams. The optimism of an opening day win soon turned into a season best watched from behind the sofa as it seemed that everything that could go against the side did. Several changes of manager failed to halt the slide and with too many games decided by a single or a late goal, and with a squad decimated by injuries and departures, relegation from Step 4 after 11 seasons was confirmed in a play-off game.

2022/23 was a tough learning experience for Saints. A preseason that saw the management and playing squad hollowed out for the second time in recent years ultimately proved too much for manager Dean Goodliff and in the new year Michael East and Liam Dwyer took joint control of the team. The threat of relegation never went away and in a crazy end to the season when the three bottom sides couldn't help but win, Saints held their nerve at Harefield to secure the final day win to ensure safety.

Saints will look to take the lessons learned from a chastening season into 2023/24 with a greater sense of confidence and stability and will be looking to the higher regions of the table and not looking down.
