## Welcome to the game

A very warm welcome to Mill Meadow for today's game.

Two games in a week puts stress on all areas of a football club and the programme 'department' is no different so this effort necessarily covers both games.

First we welcome Wallingford & Crowmarsh for a Combined Counties Premier Division North game that neither side will want to lose. Both sides have made indifferent starts to the season and so will want to get some points under their belt.

We faced each other in the first game of the season, an FA Cup qualifying game, and the visitors left with the win. So we have some work to do!

Second, we welcome Amersham Town for a Berks & Bucks FA Senior Cup tie. For such a local opponent, it is hard to find any record of our having played each other in recent years. Certainly not in my more than a decade of programme production. So a big welcome to them.

They are a club with big ambitions for this season and are currently sitting top of Division One and looking good for promotion, even at this early stage.

The inexperience of our young side

was brought into sharp relief last week as we were suckered into defeat by a wily, experienced Rayners Lane side who have promotion, even title, aspirations of their own. In a statistically one-sided game, we saw a close up lesson of how far we have to travel.

Our injury list continues to grow, with Drils being the most recent addition. Holidays should be out of the way by now so we look forward to the squad getting back to something like full strength as we move towards the second quarter of the season,

We travel to Wokingham & Emmbrook next Saturday to round off the month and then have a run of three games when we face new entrants to the division. Milton United, promoted from the Hellenic League and who have made a strong start, come first. We then travel to Ardley United, who transferred from the Spartan League, before welcoming Bedford Sports, relegated from the Isthmian League.

Enjoy the game and safe home afterwards.

## Today's visitors

### Wallingford & Crowmarsh

Wallingford's football history dates back to at least 1889. A report in the Oxford Journal of 27th April 1889 shows "a match was played in the Croft on Easter Monday between the Wallingford Football Club and the Queen's Park Rangers, London, resulting in a draw, two goals each". A Wallingford side competed in the inaugural season of the North Berks Football League in 1909-10 but Wallingford Town Football Club was not formed until 1922.

The newly formed Wallingford Town won the North Berks War Memorial Cup in 1922 and 1923 and the Charity Shield in 1929. Having finished as North Berks Division 1 runners-up in 1923-24, the club switched to the Reading & District League and were crowned Premier Division winners in 1935-36. We were founder members of the Hellenic League in 1953 became Hellenic League Premier Division champions in 1968-69 League Cup runners-up in 1982-83. After 36 consecutive seasons, our Hellenic

premier division status was lost in 1989. A short spell in Hellenic League Division One followed before a switch to the Chiltonian League.

In 1995, AFC Wallingford was formed by the merger of Town and Wallingford United, then members of the Chiltonian League and themselves seven-time winners of the North Berks War Memorial Cup. AFC Wallingford spent 3 seasons in the Chiltonian League, winning the 1995-96 League Cup final against Denham & the League title in 1997-98. Carl Henry was the goal-scoring sensation that season, setting a club record with 62 goals. With the championship came promotion to the Combined Counties League.

Progress continued under manager Dave Crowdy and in 2000-01 he led 'Wally' to runners-up positions in the Combined Counties League and Berks and Bucks Senior Trophy. Season 2001-02 saw the club go one better, winning the Combined Counties Championship and the Berks and Bucks Senior Trophy, beating Milton Keynes City 3-2 in a thrilling final. Striker Andy Shildrick won the Combined Counties Golden Boot award for the top goal scorer in 2002-03, as we were pipped to the league title firstly by Withead and then by AFC Wimbledon.

The summer of 2004 saw major upheavals and 2004-05 turned into an

unsuccessful struggle against relegation. We bounced back at the first time of asking but it was a brief upturn in fortunes. Having been transferred back to the Hellenic Premier in 2006, relegation to Division 1 followed. The financial strain of remaining at step 6 of the national pyramid began to take its toll. A rapid decline in fortunes followed. In 2008 the club decided to step back to local football returning to the North Berks League after an 84-year absence.

In 2013 we reverted back to Wallingford Town FC, and switched back to the original 1922 colours of red and white stripes. The club applied to return to the non-league pyramid in the 2017/18 season with then Chairman Simon Cowlard and 1st Team manager Duncan Mitchell attending a meeting at Wembley Stadium with The FA to put a case forward for re-submission. The move-up was granted and after 4 seasons in the Hellenic League East, the club moved back to the Combined Counties League after The FA performed a re-structure of Step 5 & 6 leagues.

In the summer of 2021/22 season and with the club's committee weakened by the resignations of several key members, former manager Glenn Goudie, who managed the 1st team for three seasons, stepped into the Chairman's role and his first task was to appoint former Ardley

United manager Lee Matthews as 1st team manager. Matthews and his squad gelled quickly and were unbeaten after 17 league games. A club record of games without defeat. After a nervy January, the side began to hit form at the key stages of the season, and promotion was gained via the playoffs, beating Hilltop 2-1 AET.

At the beginning of the 2022/23 season, the club became Wallingford & Crowmarsh FC after an amalgamation between Wallingford Town and Crowmarsh Youth in an effort to boost community involvement and improve player pathways. The club now boasts 35 teams from U6 to adults male and female teams. The 1st team finished a respectable 10th place in the CCL Premier North.

The club is very grateful to all our sponsorship partners and the club is determined to become stronger over the next few seasons.

## Today's visitors

### Amersham Town

Amersham Town FC was formed in 1890. An inaugural meeting took place at the Crown public house, now a hotel, on 10 October 1890. The Chairman was a local headmaster who was very friendly with W. G. Grace and was, in fact, recommended by that great cricketer.

Among the original rules were no bad language on the pitch, that no player should wear any nails, an annual subscription of 1/6d ( or 7.5p ) and an agreement that the club colours would be black and white.

The club originally played at Barn Meadow, down the road from the current ground. Amersham Town moved to Spratleys Meadow in 1920, thanks to the generosity of a local entrepreneur - a Mr Brazil - who founded the famous sausage and pie company bearing his name.

Amersham joined the Hellenic League in 1952. The Clubhouse, a former school room, was erected in 1968 and extended to its current size in 1983.

In 1998 the Club secured a ninety nine year lease on Spratleys Meadow and installed new floodlights and a new stand. In 2000, new pitches were provided across School Lane for the Youth Section.

In 2006/07 the club enjoyed a major refurbishment. The original changing rooms, which were commandeered in the war as an emergency mortuary in the event of an air raid on Amersham, were demolished and modern facilities constructed. The pitch, which had a slope of 11ft 4 inches from touchline to touchline, was levelled and now provides an excellent playing surface and the clubhouse recently has been comprehensively remodelled.

Amersham Town was granted Charter Standard Club status in 2013.

The first team has moved this season from the Spartan South Midlands League to the Cherry Red Combined Counties League in order to reduce the amount of travelling. The team is managed by Stuart Atkins and the club has developed close links with Kings Church FC, a well organised local club which runs more than fifteen junior teams.

An on-line booklet recording the club's history, prepared for its 125th anniversary in 2015, can be obtained by emailing Mike Gahagan on [michaelgahagan89@gmail.com](mailto:michaelgahagan89@gmail.com).

# Our Club History

## Chalfont St Peter AFC

The club was formed in 1926 and played local junior football from its ground on Gold Hill Common.

1948 saw a move to the Great Western Combination and a year later the club moved to its present location, although the picturesque name of Mill Meadow belies its origins as a refuse tip. As the club developed off the field thanks to the support of many volunteers so success began to arrive on the field and in 1952 the first silverware was won, the Berks & Bucks FA Intermediate Cup. Senior status followed and progress through the Parthenon League, London League and Spartan League followed.

The early 1970's were difficult for the club but a move into the Athenian league saw a change in fortunes.

The 1980's, now in the Isthmian League, brought some consistency in league performances and some successful campaigns in the FA Cup and FA Vase.

The 1990's was another difficult decade, culminating in a low point of two successive bottom places.

2001/02 saw a rebuild under Martin Dean with a good start to the season but

a subsequent falling away saw them finish 14th. The lower echelons became the accustomed territory for Saints for several seasons until Dean's departure at the end of the 2003/04 season.

Managing Chalfont to victory in the Berks & Bucks Under-18 Challenge Cup was a young Danny Edwards. His reward was to be handed the reins of the First Team for the new season. And so began a rollercoaster ride of success and near misses that continued until just recently.

A restructuring within the Isthmian league at the end of the 2005/06 season saw Saints moving to the Spartan South Midlands Premier League.

2006/07 saw a top half finish in their first season in the Spartan and a trophy for the cabinet, the Wycombe Senior Cup, secured with a 7-0 win over Downley Albion at the Wycombe Wanderers ground.

2007/08 was a hugely successful season. Danny Edwards was developing an exciting squad and the style of play was both entertaining and successful. Good runs in both the FA Cup and FA Vase came together with a Final appearance in the Premier Division Cup. Topping them all was winning the Challenge Trophy with a 2-0 win over Brimsdown Rovers. A close three-horse race in the league saw Saints pipped at the post into runners-up spot.

2008/09 was about building on the standards set in the previous season. And it didn't disappoint. Some top scalps in the FA Cup heralded a season of cup runs. The FA Vase was the crowning glory, with the Saints making it all the way to the semi-final and being heart

breaking seconds away from winning the right to play at Wembley. Saints were in the hunt for the league title all the way to the last week of the season but the fixture congestion caused by the cup successes began to tell and they couldn't quite make it across the line, eventually finishing a brave third.

Expectations were high going into season 2009/10 after going close to promotion in the two previous seasons. A slow start and a nightmare run of losses in October saw the title chase wobble and rapid exits from all cup competitions. But an incredible run of form with just one defeat in 23 took Saints to the top to the pile where they became the target for other teams' top performances and it wasn't until they were overtaken by Aylesbury in the last two games that they had to settle for the runners-up spot again.

At the start of 2010/11, the aim was clear: promotion was the number one target. Getting off to an incredible start in notching up seventeen straight wins, Saints grabbed top spot and refused to relinquish it for the entire season, never being less than four points clear at any stage. The focus was clear and any progress in the cups was quickly curtailed. Such was the dominance in the league, the champagne corks popped with five games to spare as the title was secured. The curtain was brought down on the record breaking season and their five year stay in the Spartan League by winning the Challenge Trophy for an unprecedented league and cup double. For the 2011/12 season, life was expected to be a trial for Saints yet they

made a bright start in their new environs and quickly acclimatised. For long periods they were genuine contenders but a poor end to the season saw them fall away into the mid table.

2014/15 saw the goals begin to return. A promising start saw the side hard to beat but too many draws held them back. A run in the FA Cup, was coupled with a strong run in November that saw the club in a playoff position but from such heights, a miserable New Year run saw them tumble down into relegation territory. It took a stubborn recovery in April to ensure eventual safety.

2015/16 was a highwater mark for Saints in their current run in the Southern League. Putting aside an early exit in the FA Cup Saints went on to head the table at New Year and looked set for their first tilt at the play offs, if not more. Sadly they repeated the poor run of results thereafter and fell away to finish sixth. Still an excellent all-round season as Tony Mendy secured top scorer honours in the division with 30 goals.

In contrast, season 2016/17 was possibly the poorest in over a decade. A storming start to the season saw Saints in top spot throughout August but the hole left by the departed Mendy was never filled and as the goals dried up so the tumble down the table gathered pace. Some poor signings added to the problems and the second half of the season delivered just four wins and for a while relegation was a real possibility before safety was finally achieved.

2017/18 was one of our most exciting seasons in the Southern League, our seventh, with the side in playoff

contention right up until the final few games. Our peerless record against those sides who ultimately claimed the top places, with just the single defeat in 12 games, including a notable double against champions Beaconsfield Town, underlined how competitive a side we were. Still struggling for goals, it was our defence that led the way with 16 clean sheets. It was a season that saw ever-green skipper Alan Hedley pass the 500 games mark and manager Danny Edwards reach 700 games in charge. Saints embrace change but enjoy stability at the same time.

2018/19 saw Saints return to the Isthmian League after 12 seasons as football was restructured. An inconsistent defence and a shortage of goals ensured Saints were unable to escape the mid-table places. Towards the end of the season, Danny Edwards signalled his wish to step down from the role he had held with such distinction and Saints had to begin the process of finding a new manager.

If 2019/20 season became the one that never happened, it provided a new launch point for Chalfont as Finlay Johnson took over the reins. New faces and promising youth saw the season start well but a lack of goals eventually started to take its toll. A mid-table finish looked to have been secured before the lockdown put a premature end to the season.

Silverware for both the Under-18s and the Under 23s certainly raised the spirits in the club in the 2020/21 season but for the Senior side the season barely got going before it was abandoned.

2021/22 proved to be a season of shattered dreams. The optimism of an opening day win soon turned into a season best watched from behind the sofa as it seemed that everything that could go against the side did. Several changes of manager failed to halt the slide and with too many games decided by a single or a late goal, and with a squad decimated by injuries and departures, relegation from Step 4 after 11 seasons was confirmed in a play-off game.

2022/23 was a tough learning experience for Saints. A preseason that saw the management and playing squad hollowed out for the second time in recent years ultimately proved too much for manager Dean Goodliff and in the new year Michael East and Liam Dwyer took joint control of the team. The threat of relegation never went away and in a crazy end to the season when the three bottom sides couldn't help but win, Saints held their nerve at Harefield to secure the final day win to ensure safety.

Saints will look to take the lessons learned from a chastening season into 2023/24 with a greater sense of confidence and stability and will be looking to the higher regions of the table and not looking down.
