Welcome to the game

A very warm welcome to Mill Meadow for today's Combined Counties League Premier Division North game against Milton United.

It is our opponents first visit to Mill Meadow so we hope their players, officials and supports enjoys their short stay with us.

We also welcome our match officials; Shawn Barclay, Nick Phipps and Ivan Yordanov.

A come from behind win at Wokingham & Emmbrook last weekend made it two wins on the bounce and a climb up to mid-table. Having scrabbled around in the lower reaches for a few weeks, the view from 11th spot makes everyone hungry for even loftier heights.

Craig Matheison finally broke his scoring duck with a brace and is beginning to look like the attacking force we have been waiting for. Jordan Payne claimed his first goal for the club and Ollie Salami secured the win with a late effort.

With such a young squad, there will be bumps in the road as we progress through the season but we are playing some exciting football and both Easty and Liam have bags of experience in bringing youngsters through. Players will develop; how quickly they do so will have a big say on how our season ultimately ends

up.

Milton United joined the league this season having come up from the Hellenic League Division via the play-offs. Whether the preference is for points on the board or games in hand, they are currently in third place and will have a target on their back.

We visit other new boys next weekend when we travel to Ardley United, who have moved across from the Spartan League Premier and who have made a good start to the season.

We were scheduled to host Bedfont Sports the weekend after but that has been postponed due to a fixture clash in the FA Vase. So unless a new game is allocated, our next home outing is on 4th November when struggling Harefield United make the short journey.

Enjoy the game and safe home afterwards.

COME ON THE SAINTS

The Management View

Good afternoon and welcome to Mill Meadow, especially our visitors Milton United. I hope you all enjoy today's game!

September has been a productive month for us with 3 league wins in 5, including wins against high flying Burnham, our biggest home win in years against Wallingford & Crowmarsh and a special away comeback against Wokingham & Emmbrook.

Amongst this have been strong performances against some strong teams including Rayners Lane and Amersham, two teams that I feel will win their respective divisions.

I feel the players have stepped into another gear this month. The training levels have risen, leading to improved performances, developing relationships and we are starting to build an identity.

We want to be a team that everyone at Chalfont St Peter can be proud of, a team that outworks its opposition and shows good qualities in the right areas.

However, we know that there is still a long way to go and we won't be resting or getting complacent. We are aware that in our next 9 games we have 6 away fixtures, like the old cliché goes, there are no easy games in football.

Lastly, myself, Easty, our management team and players appreciate all the support from our chairman, committee, volunteers and support. It makes a huge difference, so stay with us and keep backing our young, progressive team.

Up the Saints

Milton United

The club was a founder member of the North Berks Football League when it was first formed in 1909 and played under the name Milton Hill. Playing in the North Berks League for two seasons before returning again for the 1920-21 season, under the name Milton and finally, Milton United in the following season. In 1926 Milton gained their first trophy for beating Aston Tirrold by 8 to 2 in a play-off for the Division 2 (Abingdon) League title. Milton United continued after the war but folded in the early 1950s. The club reformed in 1958 and regained entry to the North Berks League.

Milton became champions of the North Berks league for the first time in the 1962-63 Season. The club would then enjoy more league title success during the sixties with three further successes in the 1963-64, 1965-66 and 1969-70 seasons. While the club remained in the top flight throughout most of the seventies, the club suffered relegation to the second tier of The North Berks league at the end of the 1978-79 season. Two seasons later the club bounced back to the top flight when they finished as

Champions of Division Two, at the end of the 1980-81 season. After being promoted back to the top division in the league the club, then went on to win the league a further three times, during the eighties, in the 1985-86, 1987-88 and 1988-89 seasons. The club also ended as runners-up in the Berks and Bucks intermediate cup in 1984.

In 1989 they applied to join the Hellenic Football League. The application was successful and finished as runners up in their first season in both the First Division and the Division One Cup, also winning the Berks and Bucks Intermediate cup. Because of their runners-up position, they were promoted to the Premier Division and became Champions of the Hellenic League at their first attempt. They also retained the Berks and Bucks Intermediate Trophy.

The Season after winning the Premier Division, Milton made its debut in the FA Vase, reaching the first round before being knocked out by Thame United. Staying in the Premier Division until the end of the 1993-94 season, when the Club was demoted to Division One because of not having floodlights. 1998 brought the move to the current home at Milton Heights, with floodlights being installed and the clubhouse erected. The first season at the new ground secured promotion back to the Premier Division, however after finishing bottom of the table in the next two seasons the club was relegated to Division One East. Promotion was achieved once more in the 2003-04 season, which saw the club reach the final of the Berks & Bucks

Senior Trophy, losing in the final on penalties. The club stayed in the Premier Division until the end of the 2008-09 season when they were relegated back to Division One East, where they remained for six years. Season 2013-14 saw the team finish the season as Division One East champions by a margin of five points and promotion back to the Premier Division. This was the first time the club had ever been promoted as the division champions.

The 2014-15 Season saw Milton re-establish their Step 5 Status, compete in the FA Cup and achieve the Ground Grade F required for Step 5. Milton's FA Cup run surpassed their previous best and, in the process, defeating Combined Counties Chertsey Town and Southern League Marlow FC. The League campaign resulted in a respectable 14th place. The ground improvements introduced another 50 covered seats under the main stand (taking the total seating to 100) and the introduction of 150 person covered standing area.

After relegation at the end of the 2015-16 season, Milton was placed in Hellenic Division One West for one season before moving back into League One East for the 2017-18 season. Managerial changes, the Covid outbreak and a re-structuring of the NLS, resulting in the dissolution of the East Division, proved extremely challenging. However, 2022/23 saw Milton start their second season in Hellenic League Division 1 with a new Management Team led by Christian Lawrence and Assistant Manager Tom Tatford. After achieving the goal of reaching the play-offs, a dramatic home

semi-final win against Clanfield 85 FC, resulted in a Play-off final away at Hartpury University. What a night, what a game and what a result. 2-2 at Full-Time and a 4-1 penalty shoot-out win and the rest is history. Milton United FC is now preparing for Step 5 football once again, as well as a move east into the Combined Counties League. We wave goodbye to the Hellenic League, but our move sees us awaken old rivalries with several clubs from the old Hellenic East Division 1.

The Club is currently going through a period of notable change and visitors to The Heights will be very aware of the housing developments emerging around the grounds. In recent times several projects have been completed and we now have a new LED Floodlight System, new pitch surrounds and dugouts. We have also invested a lot of time and effort in improving the main pitch playing surface, with considerable help from Football Foundation grants. By the end of 2023, the expectation is to launch the much-awaited plans for a replacement clubhouse, as providing a new Community and Sporting facility is the Clubs aspiration.

Our Club History

Chalfont St Peter AFC

The club was formed in 1926 and played local junior football from its ground on Gold Hill Common.

1948 saw a move to the Great Western Combination and a year later the club moved to its present location, although the picturesque name of Mill Meadow belies its origins as a refuse tip. As the club developed off the field thanks to the support of many volunteers so success began to arrive on the field and in 1952 the first silverware was won, the Berks & Bucks FA Intermediate Cup. Senior status followed and progress through the Parthenon League, London League and Spartan League followed.

The early 1970's were difficult for the club but a move into the Athenian league saw a change in fortunes.

The 1980's, now in the Isthmian League, brought some consistency in league performances and some successful campaigns in the FA Cup and FA Vase.

The 1990's was another difficult decade, culminating in a low point of two successive bottom places.

2001/02 saw a rebuild under Martin Dean with a good start to the season but

a subsequent falling away saw them finish 14th. The lower echelons became the accustomed territory for Saints for several seasons until Dean's departure at the end of the 2003/04 season.

Managing Chalfont to victory in the Berks & Bucks Under-18 Challenge Cup was a young Danny Edwards. His reward was to be handed the reins of the First Team for the new season. And so began a rollercoaster ride of success and near misses that continued until just recently.

A restructuring within the Isthmian league at the end of the 2005/06 season saw Saints moving to the Spartan South Midlands Premier League.

2006/07 saw a top half finish in their first season in the Spartan and a trophy for the cabinet, the Wycombe Senior Cup, secured with a 7-0 win over Downley Albion at the Wycombe Wanderers ground.

2007/08 was a hugely successful season. Danny Edwards was developing an exciting squad and the style of play was both entertaining and successful. Good runs in both the FA Cup and FA Vase came together with a Final appearance in the Premier Division Cup. Topping them all was winning the Challenge Trophy with a 2-0 win over Brimsdown Rovers. A close three-horse race in the league saw Saints pipped at the post into runners-up spot.

2008/09 was about building on the standards set in the previous season. And it didn't disappoint. Some top scalps in the FA Cup heralded a season of cup runs. The FA Vase was the crowning glory, with the Saints making it all the way to the semi-final and being heart

breaking seconds away from winning the right to play at Wembley. Saints were in the hunt for the league title all the way to the last week of the season but the fixture congestion caused by the cup successes began to tell and they couldn't quite make it across the line, eventually finishing a brave third.

Expectations were high going into season 2009/10 after going close to promotion in the two previous seasons. A slow start and a nightmare run of losses in October saw the title chase wobble and rapid exits from all cup competitions. But an incredible run of form with just one defeat in 23 took Saints to the top to the pile where they became the target for other teams' top performances and it wasn't until they were overtaken by Aylesbury in the last two games that they had to settle for the runners-up spot again.

At the start of 2010/11, the aim was clear: promotion was the number one target. Getting off to an incredible start in notching up seventeen straight wins, Saints grabbed top spot and refused to relinquish it for the entire season, never being less than four points clear at any stage. The focus was clear and any progress in the cups was quickly curtailed. Such was the dominance in the league, the champagne corks popped with five games to spare as the title was secured. The curtain was brought down on the record breaking season and their five year stay in the Spartan League by winning the Challenge Trophy for an unprecedented league and cup double. For the 2011/12 season, life was expected to be a trial for Saints yet they

made a bright start in their new environs and quickly acclimatised. For long periods they were genuine contenders but a poor end to the season saw them fall away into the mid table.

2014/15 saw the goals begin to return. A promising start saw the side hard to beat but too many draws held them back. A run in the FA Cup, was coupled with a strong run in November that saw the club in a playoff position but from such heights, a miserable New Year run saw them tumble down into relegation territory. It took a stubborn recovery in April to ensure eventual safety.

2015/16 was a highwater mark for Saints in their current run in the Southern League. Putting aside an early exit in the FA Cup Saints went on to head the table at New Year and looked set for their first tilt at the play offs, if not more. Sadly they repeated the poor run of results thereafter and fell away to finish sixth. Still an excellent all-round season as Tony Mendy secured top scorer honours in the division with 30 goals.

In contrast, season 2016/17 was possibly the poorest in over a decade. A storming start to the season saw Saints in top spot throughout August but the hole left by the departed Mendy was never filled and as the goals dried up so the tumble down the table gathered pace. Some poor signings added to the problems and the second half of the season delivered just four wins and for a while relegation was a real possibility before safety was finally achieved.

2017/18 was one of our most exciting seasons in the Southern League, our seventh, with the side in playoff

contention right up until the final few games. Our peerless record against those sides who ultimately claimed the top places, with just the single defeat in 12 games, including a notable double against champions Beaconsfield Town, underlined how competitive a side we were. Still struggling for goals, it was our defence that led the way with 16 clean sheets. It was a season that saw ever-green skipper Alan Hedley pass the 500 games mark and manager Danny Edwards reach 700 games in charge. Saints embrace change but enjoy stability at the same time.

2018/19 saw Saints return to the Isthmian League after 12 seasons as football was restructured. An inconsistent defence and a shortage of goals ensured Saints were unable to escape the mid-table places. Towards the end of the season, Danny Edwards signalled his wish to step down from the role he had held with such distinction and Saints had to begin the process of finding a new manager.

If 2019/20 season became the one that never happened, it provided a new launch point for Chalfont as Finlay Johnson took over the reins. New faces and promising youth saw the season start well but a lack of goals eventually started to take its toll. A mid-table finish looked to have been secured before the lockdown put a premature end to the season.

Silverware for both the Under-18s and the Under 23s certainly raised the spirits in the club in the 2020/21 season but for the Senior side the season barely got going before it was abandoned.

2021/22 proved to be a season of shattered dreams. The optimism of an opening day win soon turned into a season best watched from behind the sofa as it seemed that everything that could go against the side did. Several changes of manager failed to halt the slide and with too many games decided by a single or a late goal, and with a squad decimated by injuries and departures, relegation from Step 4 after 11 seasons was confirmed in a play-off game.

2022/23 was a tough learning experience for Saints. A preseason that saw the management and playing squad hollowed out for the second time in recent years ultimately proved too much for manager Dean Goodliff and in the new year Michael East and Liam Dwyer took joint control of the team. The threat of relegation never went away and in a crazy end to the season when the three bottom sides couldn't help but win, Saints held their nerve at Harefield to secure the final day win to ensure safety.

Saints will look to take the lessons learned from a chastening season into 2023/24 with a greater sense of confidence and stability and will be looking to the higher regions of the table and not looking down.
