## Welcome to the game

A very warm welcome to Mill Meadow for today's Combined Counties League Premier Division North game against Harefield United.

A particular welcome to our neighbours from across the A412 and we hope their players, officials and supports enjoys their short stay with us.

We also welcome our match officials; Ethan Stacey, Steve Williams and Eddy Clifford.

As Liam covers in his notes elsewhere, October was a pretty barren month for us in terms of results. With a squad decimated by injuries and various other enforced absences, it was sometimes a struggle just to get a squad together, so it is quite remarkable that the mood within the camp is still very positive.

As ever, it was lapses of concentration that cost us point. We were on our way to a valuable win at Ardley when the referee had a brain fade and began throwing yellow cards around like confetti and it was after a spate of these that Ardley found an unmarked player in the area to level the score as we failed to reorganize after Craig's second yellow reduced us to 10.

Last week we twice dithered on the edge of the area rather than take

control of the situation, allowing Greenford to put two past us without any real challenge. A bizarre own goal as a defender powered a back pass past his own keeper from wide out brought us back into the game but it was too late and we left empty ended from a game that, even without a dedicated forward in the lineup, we should have got something from.

So we move on to a new month and a new set of challenges. Today's visitors are looking to rebuild from a poor start to the season, and now have the redoubtable Wayne Carter at the helm so we can expect a stiff challenge, despite their position in the table.

The spread of our fixtures is looking somewhat wonky as, after today, we have just two home games out of 8 up until the end of the year but, come the end of the season six of our last 10 games will be at home.

Enjoy the game and safe home afterwards.

# The Management View

Good afternoon and welcome to Mill Meadow especially our visitors Harefield United. I hope your all enjoyed today's game!

October has been a difficult month for us with no wins during the month but some strong performances. We have only had 3 games, against 3 United's and the month started with a home defeat against a strong Milton United side, we never really got going and did not deserve much from this games, we all have bad days at the office.

The following week we were superb at against a strong Ardley United team, after going 1-0 up we received a questionable and unfortunate red card and were unable to hold on to our lead. Overall our performance merited the 3 points but you don't always get what you deserve in the beautiful game.

This was followed by last Saturday's

narrow defeat against a strong North Greenford United team away. Despite 14 players been unavailable due to suspensions, professional trials, injury and holidays (Lewis Stevens again!) we put in a competitive performance and were in the game towards the end and once again unlucky to not come away with any points.

On some positive notes:

We are very proud that one of our players has returned from a 3 week trial at a professional championship month. Though he has returned to us we feel he has been enriched by the experience and it will hold him in good stead with his progression up the football pyramid in the future.

Three of our squad are due to play in the FA Youth Cup first round for their respective clubs. They have all scored key goals in previous rounds and we are hoping they continue to progress

to play one of the big professional clubs within the tournament.

We have welcome some new additions to the team, Ethan Goulding, Joe Davies and Prince Nimoh, who have all had an impact in recent weeks and we welcome back Kayne Connor from Egham, another exciting young player. All of these players will hopefully help to enhance the team and push us further up the table.

Lastly Henry Dudley has won player on the month. For a 17 year old, all of his performances in midfield in October have been outstanding for a player so young. He was run closely by our keeper Tom Clark and young Jack James!

In other news, sadly Roy Byron has moved on to Everett Rovers in search for more minutes, I would like to go on record thanking Roy for all his effort and hard work for us and wish him well. He played a key role in keeping us up last year and will be

missed by us all. He remains dual registered and hopefully we might see him back in the famous Red and Green!

For us in November we are looking at picking up some point to match our positive performances and continue to build our togetherness as a team while becoming more clinical in both areas! More clean sheets and goals is the aim!

As always myself, Easty, our management team and players appreciate all the support from our chairman, committee, volunteers and support. It makes a huge difference so stay behind us and keep backing our young progressive team.

Up the Saints

*Liam*

## Today's visitors

### Harefield United

The club was formed in 1868, making it the oldest club in Middlesex. In their formative years they played under such names as Harefield Victoria and Breakspear Institute in the local Uxbridge Leagues before merging with Harefield FC in 1934 to become Harefield United, playing in the Uxbridge and District League.

By 1947 the club had joined the Great Western Combination, playing at Taylors Meadow and winning the league once in the 1950-1 season. In 1964 the club moved to the Parthenon League, winning the league at the first attempt. They then joined the Middlesex League two seasons later where they stayed for five seasons, winning the league title four times and the league cup twice.

In 1967-8 the club celebrated their centenary by moving to their present ground at Preston Park in Harefield, joining the Spartan League Senior Section in the 1971-2 season, staying there for four seasons, making their debut in the FA Vase in 1974-5 before progressing to Division Two of the Athenian League for the 1975-6 season. The club also made their debut in the FA

Cup in 1979-80. The Athenian League folded in 1984, the year the Hares won the League Cup under manager Nobby Carpenter, making them still the current holders!

The club then moved to the Isthmian League Division Two North for two seasons, then spent seven years in Division Two South before being relegated to Division Three where they stayed until after the 1996-7 season when lack of funds for ground improvements meant the club had to move back to the Spartan League. A year later they became founder members of the Spartan South Midlands Premier Division South, until it was renamed Division One where they finished runners up and won the League Cup, before playing in the Spartan Premier where they remained until being relegated to Division One at the end of 2015-6. This spell was the most successful in the club's history winning the Challenge Trophy in 2002-3 and the Premier League Cup the following season when they were also runners up in the Middlesex Senior Charity Cup. Under manager Stuart Leavy the Hares were league runners up twice, in 2006-7 and again in 2008-9 when they missed out on promotion to the Ryman League by one goal difference to Biggleswade Town.

In 2002 Harefield United Youth FC was formed with teams from the former Denham Youth FC, the club currently fielding over twenty teams of all ages and levels from Under 7s to Under 21s, Sunday League teams, Under 18s Allied Counties, reserves and first team with

some players having progressed all the way through the ranks.

In 2010 the club won the National Award for "Groundsman Of The Year" for Steps 5 and 6, some achievement for a club with no groundsman and the pitch maintained by volunteers.

At the beginning of the 2016-7 season the Hares start life in the Spartan South Midlands League Division One looking to bounce back at the first attempt under manager Jason Shaw's second season in charge. In season 2017-18 the Hares promoted reserve team coach Brian Keeley to Head of Youth Development with former first team player Ben Payne as his assistant, looking to expand the thriving youth programme further at Harefield.

In 2018 we celebrated our 150th year of football in Harefield as a community club promoting senior, junior, Sunday and womens football. The same season 2018-9 manager Jason Shaw gained promotion in his fourth campaign by going unbeaten all season, only dropping four points and winning 34 consecutive matches, also winning the Middlesex Premier Cup against a strong Cockfosters side. "The Invincibles" started the 2019-20 season back in the Spartan South Midlands Premier Division, a return to Step 5 football, a season that was expunged due to the Covid 19 virus. The Hares introduced a ladies side for the first time, managed by former Reserve team coach Vince Baiardia with his coach Brian Keeley, and were looking good for promotion before the season was curtailed. Jason Shaw now looks to begin his sixth season with the club with the

Hares playing Step 5 football again, here's to the next 150 years!

After 3 seasons of disappointing league performances the only bright light was the FA Vase run in the 2022-23 season which saw the club reach the last 16 only to lose to Peacehaven on penalties.

2023-24 sees a completely new management structure First team Manager Ray Green takes over with Assistant Vince Biardia and a new set up led by Rob Tull and Cory Charles takes over the Allied Counties U18s side. It has also been decided not to run the reserves this season

# Our Club History

## Chalfont St Peter AFC

The club was formed in 1926 and played local junior football from its ground on Gold Hill Common.

1948 saw a move to the Great Western Combination and a year later the club moved to its present location, although the picturesque name of Mill Meadow belies its origins as a refuse tip. As the club developed off the field thanks to the support of many volunteers so success began to arrive on the field and in 1952 the first silverware was won, the Berks & Bucks FA Intermediate Cup. Senior status followed and progress through the Parthenon League, London League and Spartan League followed.

The early 1970's were difficult for the club but a move into the Athenian league saw a change in fortunes.

The 1980's, now in the Isthmian League, brought some consistency in league performances and some successful campaigns in the FA Cup and FA Vase.

The 1990's was another difficult decade, culminating in a low point of two successive bottom places.

2001/02 saw a rebuild under Martin Dean with a good start to the season but

a subsequent falling away saw them finish 14th. The lower echelons became the accustomed territory for Saints for several seasons until Dean's departure at the end of the 2003/04 season.

Managing Chalfont to victory in the Berks & Bucks Under-18 Challenge Cup was a young Danny Edwards. His reward was to be handed the reins of the First Team for the new season. And so began a rollercoaster ride of success and near misses that continued until just recently.

A restructuring within the Isthmian league at the end of the 2005/06 season saw Saints moving to the Spartan South Midlands Premier League.

2006/07 saw a top half finish in their first season in the Spartan and a trophy for the cabinet, the Wycombe Senior Cup, secured with a 7-0 win over Downley Albion at the Wycombe Wanderers ground.

2007/08 was a hugely successful season. Danny Edwards was developing an exciting squad and the style of play was both entertaining and successful. Good runs in both the FA Cup and FA Vase came together with a Final appearance in the Premier Division Cup. Topping them all was winning the Challenge Trophy with a 2-0 win over Brimsdown Rovers. A close three-horse race in the league saw Saints pipped at the post into runners-up spot.

2008/09 was about building on the standards set in the previous season. And it didn't disappoint. Some top scalps in the FA Cup heralded a season of cup runs. The FA Vase was the crowning glory, with the Saints making it all the way to the semi-final and being heart

breaking seconds away from winning the right to play at Wembley. Saints were in the hunt for the league title all the way to the last week of the season but the fixture congestion caused by the cup successes began to tell and they couldn't quite make it across the line, eventually finishing a brave third.

Expectations were high going into season 2009/10 after going close to promotion in the two previous seasons. A slow start and a nightmare run of losses in October saw the title chase wobble and rapid exits from all cup competitions. But an incredible run of form with just one defeat in 23 took Saints to the top to the pile where they became the target for other teams' top performances and it wasn't until they were overtaken by Aylesbury in the last two games that they had to settle for the runners-up spot again.

At the start of 2010/11, the aim was clear: promotion was the number one target. Getting off to an incredible start in notching up seventeen straight wins, Saints grabbed top spot and refused to relinquish it for the entire season, never being less than four points clear at any stage. The focus was clear and any progress in the cups was quickly curtailed. Such was the dominance in the league, the champagne corks popped with five games to spare as the title was secured. The curtain was brought down on the record breaking season and their five year stay in the Spartan League by winning the Challenge Trophy for an unprecedented league and cup double. For the 2011/12 season, life was expected to be a trial for Saints yet they

made a bright start in their new environs and quickly acclimatised. For long periods they were genuine contenders but a poor end to the season saw them fall away into the mid table.

2014/15 saw the goals begin to return. A promising start saw the side hard to beat but too many draws held them back. A run in the FA Cup, was coupled with a strong run in November that saw the club in a playoff position but from such heights, a miserable New Year run saw them tumble down into relegation territory. It took a stubborn recovery in April to ensure eventual safety.

2015/16 was a highwater mark for Saints in their current run in the Southern League. Putting aside an early exit in the FA Cup Saints went on to head the table at New Year and looked set for their first tilt at the play offs, if not more. Sadly they repeated the poor run of results thereafter and fell away to finish sixth. Still an excellent all-round season as Tony Mendy secured top scorer honours in the division with 30 goals.

In contrast, season 2016/17 was possibly the poorest in over a decade. A storming start to the season saw Saints in top spot throughout August but the hole left by the departed Mendy was never filled and as the goals dried up so the tumble down the table gathered pace. Some poor signings added to the problems and the second half of the season delivered just four wins and for a while relegation was a real possibility before safety was finally achieved.

2017/18 was one of our most exciting seasons in the Southern League, our seventh, with the side in playoff

contention right up until the final few games. Our peerless record against those sides who ultimately claimed the top places, with just the single defeat in 12 games, including a notable double against champions Beaconsfield Town, underlined how competitive a side we were. Still struggling for goals, it was our defence that led the way with 16 clean sheets. It was a season that saw ever-green skipper Alan Hedley pass the 500 games mark and manager Danny Edwards reach 700 games in charge. Saints embrace change but enjoy stability at the same time.

2018/19 saw Saints return to the Isthmian League after 12 seasons as football was restructured. An inconsistent defence and a shortage of goals ensured Saints were unable to escape the mid-table places. Towards the end of the season, Danny Edwards signalled his wish to step down from the role he had held with such distinction and Saints had to begin the process of finding a new manager.

If 2019/20 season became the one that never happened, it provided a new launch point for Chalfont as Finlay Johnson took over the reins. New faces and promising youth saw the season start well but a lack of goals eventually started to take its toll. A mid-table finish looked to have been secured before the lockdown put a premature end to the season.

Silverware for both the Under-18s and the Under 23s certainly raised the spirits in the club in the 2020/21 season but for the Senior side the season barely got going before it was abandoned.

2021/22 proved to be a season of shattered dreams. The optimism of an opening day win soon turned into a season best watched from behind the sofa as it seemed that everything that could go against the side did. Several changes of manager failed to halt the slide and with too many games decided by a single or a late goal, and with a squad decimated by injuries and departures, relegation from Step 4 after 11 seasons was confirmed in a play-off game.

2022/23 was a tough learning experience for Saints. A preseason that saw the management and playing squad hollowed out for the second time in recent years ultimately proved too much for manager Dean Goodliff and in the new year Michael East and Liam Dwyer took joint control of the team. The threat of relegation never went away and in a crazy end to the season when the three bottom sides couldn't help but win, Saints held their nerve at Harefield to secure the final day win to ensure safety.

Saints will look to take the lessons learned from a chastening season into 2023/24 with a greater sense of confidence and stability and will be looking to the higher regions of the table and not looking down.
