Welcome to the game

A very warm welcome to Mill Meadow for today's Combined Counties League Premier Division North game against Holyport.

A particular welcome to our visitors and we hope their players, officials and supporters enjoy their short stay with us.

We also welcome our match officials; Alfie Finch-Critchley, Eddy Clifford and James Bird.

Playing poorly and getting beaten is a necessary, unwanted part of football and we all go through it at times.

Playing sublimely well and still losing is a whole different world of agony that is much harder to take. Still, it happens.

That was the situation last week. Our performances have been improving. With new faces appearing and others returning from injury, the feeling that things are starting to change has always been there.

But, as well as you might play around the pitch, you have to put the ball in the back of the net. Football really is that simple. That 'simple' act has eluded us for quite some time now—not just this season. It's time to change that.

Wembley, buoyed by some abysmal officiating, took full advantage of our

shortcomings in front of goal and snatched the win with a late goal that felt inevitable.

So, we have to dust ourselves down, be brave in front of goal and have faith in our own ability.

We have reached the halfway point of our season and there is still much work to do. Things are so tight in the table that there is unlikely to be a sweet spot in the middle of the table where a club might feel safe from any threat from below or challenged to push to the top. Every game has to be seen as winnable and must be played accordingly.

After today, we face the double challenge of successive trips to table toppers Rayners Lane and then to the resurgent Harefield Utd, so a morale boosting outcome today would be ideal.

Next home action will be on 3 March when Wokingham & Emmbrook will be our visitors.

Enjoy the game and safe home afterwards.

COME ON THE SAINTS

Ian.

Today's visitors

Holyport

Holyport Football Club was formed on 1st September 1897 in The George Pub in Holyport Village, with 20 members at a Shilling a piece to join. Initially they played in the Maidenhead and District League, their home ground was at Windsor Road, Bray. The club slowly progressed and joined the Hayes and Giles League where they played their home games at Braywick Park.

At the beginning of the 2002/2003, after three very successful seasons, Holyport were promoted to the Hellenic League Division 1 East. Two seasons later they moved to their current ground at Summerleaze Park in North Maidenhead. This move signalled the start of a new and exciting era for the club. Having secured the necessary planning permission, as well as funding from the Football Foundation, the new ground has been in a state of continuous improvement. In season 2007/8 the ground was fenced, floodlights installed and since

then has seen further improvements to the changing facilities, hard standing on three sides of the ground, the erection of three spectator grandstands and a hospitality room. These changes are the culmination of several years of hard work and the club's Summerleaze Park ground now meets the FA and League requirements for Holyport to continue to play at their current step five level of football. The club have also been awarded planning permission for a new tea bar and turnstile, this was awarded in March 2022 with the board in the process of obtaining grants to fund this project.

These continuous improvements, both of and off the pitch, have all contributed to progressing the club's ambitions of playing in the FA Vase and the FA Cup which they achieved in 2008 and 2010 respectively. Additionally in 2009/10 season and 2010/11 season the club was jointly awarded the Hungerford Cup (shared with Shortwood United in 2009/10 and then Thame United 2010/11). The cup is awarded to the club who has shown the most development, both on and off the field, throughout the season.

2010/11 Season was a historic season for Holyport. In their first season with the club the new management team of Derek

Sweetman, Kevin Carvell and Calvin Maye led the side to the UHlsport Hellenic 1 Division East title, AM Print and Copy Floodlit Cup and The Blue-fin Insurance Challenge Cup. In 2009/10 Jamie Handscomb was also recognised by the League winning the Division Player of the Year award, the third time a Port player has won this trophy. Along with the Hungerford Cup, four cups in one season will probably be the club's most successful season for a good number of years to come. The 2011/12 Season saw Holyport finish a very respectable 13th in their debut season and also as Semi-Finalists in The Berks and Bucks Senior Cup and League Supplementary Cup.

The 2012/13 brought yet more development for Holyport FC as they fielded their first ever Youth side in The Allied Counties League. 2014/15 saw Martin Kenealy step aside after 12 months in charge. The committee had a think about the future and decided to was best to step down to Division One East and promote Barry, Dan, Chris and John into the management setup. The side had a steady season in 2015/16 but 2016/17 was a struggle. 2017/18 saw Dan and Chris move on but ex Holyport player Matt Rolfe was appointed as Asst Manager and with this the team finished 5th in the league. Barry Rake resigned in the summer of 2018 and with this the

club appointed Derek Sweetman as Manager for 2018/19 season with Rolfe, Ovens and Deverall assisting him. Along with this the side re-entered the FA Cup and announced a three year sponsorship deal with Anthony Mullan furniture. The 18/19 season produced a good FA Vase run and once again a 5th place in the league but securing more points than the previous season.

19/20 The side were placed in the top 3 before Covid-19 struck and our pleasing season was wiped out.

After another Covid-19 struck season the club were finally awarded promotion to Step 5 on a PPG basis, but moving across to the newly formed Combined Counties North League. The club struggled at the start of the league campaign but after being written off by many achieved their Step 5 status via a superior goal difference on the final day.

During the summer of 2022 the club announced that Derek Sweetman would become an Ambassador for the club, this first in their history as recognition for his 336 games in charge and success whilst at the club. Sam Lock who had been the clubs Assistant Manager during the season was promoted to manager for 2022/23 with a new management team alongside him.

The club also welcomed Holyport legends Lee Ovens and Daniel Rapley into the Reserves as joint managers along with Nick Philips as coach. The club also welcomed three junior sides to the club to improve their offering to the local community in their 125th Anniversary year.

of all the volunteers involved with the club.

The 125th season proved a successful season, the First Team secured their position in the league along with historic runs in the FA Cup and FA Vase great. With wins against Ascot United (FA Cup) who went on to win the FA Vase at Wembley. This saw a number of our younger players scouted and trial for the likes of QPR and Maidenhead United.

The Reserve Team has also had a very good season finishing 4th and gaining promotion to the TVPL This in itself is testament to the management and its players as this team was only put together at the start of the season. The Reserve Team also enjoyed a great cup run making it to the semi-final of the Reading Senior Cup only to lose 1-0 to Yateley Town who went unbeaten in the league above all season.

The U8 Junior side won the clubs first ever Junior Trophy, off the back of this the 2022/23 season sees six Junior sides now with the club and an over 50s mens side playing on Sundays. The club continues to grow in the community through the events

Our Club History

Chalfont St Peter AFC

The club was formed in 1926 and played local junior football from its ground on Gold Hill Common.

1948 saw a move to the Great Western Combination and a year later the club moved to its present location, although the picturesque name of Mill Meadow belies its origins as a refuse tip. As the club developed off the field thanks to the support of many volunteers so success began to arrive on the field and in 1952 the first silverware was won, the Berks & Bucks FA Intermediate Cup. Senior status followed and progress through the Parthenon League, London League and Spartan League followed.

The early 1970's were difficult for the club but a move into the Athenian league saw a change in fortunes.

The 1980's, now in the Isthmian League, brought some consistency in league performances and some successful campaigns in the FA Cup and FA Vase.

The 1990's was another difficult decade, culminating in a low point of two successive bottom places.

2001/02 saw a rebuild under Martin Dean with a good start to the season but

a subsequent falling away saw them finish 14th. The lower echelons became the accustomed territory for Saints for several seasons until Dean's departure at the end of the 2003/04 season.

Managing Chalfont to victory in the Berks & Bucks Under-18 Challenge Cup was a young Danny Edwards. His reward was to be handed the reins of the First Team for the new season. And so began a rollercoaster ride of success and near misses that continued until just recently.

A restructuring within the Isthmian league at the end of the 2005/06 season saw Saints moving to the Spartan South Midlands Premier League.

2006/07 saw a top half finish in their first season in the Spartan and a trophy for the cabinet, the Wycombe Senior Cup, secured with a 7-0 win over Downley Albion at the Wycombe Wanderers ground.

2007/08 was a hugely successful season. Danny Edwards was developing an exciting squad and the style of play was both entertaining and successful. Good runs in both the FA Cup and FA Vase came together with a Final appearance in the Premier Division Cup. Topping them all was winning the Challenge Trophy with a 2-0 win over Brimsdown Rovers. A close three-horse race in the league saw Saints pipped at the post into runners-up spot.

2008/09 was about building on the standards set in the previous season. And it didn't disappoint. Some top scalps in the FA Cup heralded a season of cup runs. The FA Vase was the crowning glory, with the Saints making it all the way to the semi-final and being heart

breaking seconds away from winning the right to play at Wembley. Saints were in the hunt for the league title all the way to the last week of the season but the fixture congestion caused by the cup successes began to tell and they couldn't quite make it across the line, eventually finishing a brave third.

Expectations were high going into season 2009/10 after going close to promotion in the two previous seasons. A slow start and a nightmare run of losses in October saw the title chase wobble and rapid exits from all cup competitions. But an incredible run of form with just one defeat in 23 took Saints to the top to the pile where they became the target for other teams' top performances and it wasn't until they were overtaken by Aylesbury in the last two games that they had to settle for the runners-up spot again.

At the start of 2010/11, the aim was clear: promotion was the number one target. Getting off to an incredible start in notching up seventeen straight wins, Saints grabbed top spot and refused to relinquish it for the entire season, never being less than four points clear at any stage. The focus was clear and any progress in the cups was quickly curtailed. Such was the dominance in the league, the champagne corks popped with five games to spare as the title was secured. The curtain was brought down on the record breaking season and their five year stay in the Spartan League by winning the Challenge Trophy for an unprecedented league and cup double. For the 2011/12 season, life was expected to be a trial for Saints yet they

made a bright start in their new environs and quickly acclimatised. For long periods they were genuine contenders but a poor end to the season saw them fall away into the mid table.

2014/15 saw the goals begin to return. A promising start saw the side hard to beat but too many draws held them back. A run in the FA Cup, was coupled with a strong run in November that saw the club in a playoff position but from such heights, a miserable New Year run saw them tumble down into relegation territory. It took a stubborn recovery in April to ensure eventual safety.

2015/16 was a highwater mark for Saints in their current run in the Southern League. Putting aside an early exit in the FA Cup Saints went on to head the table at New Year and looked set for their first tilt at the play offs, if not more. Sadly they repeated the poor run of results thereafter and fell away to finish sixth. Still an excellent all-round season as Tony Mendy secured top scorer honours in the division with 30 goals.

In contrast, season 2016/17 was possibly the poorest in over a decade. A storming start to the season saw Saints in top spot throughout August but the hole left by the departed Mendy was never filled and as the goals dried up so the tumble down the table gathered pace. Some poor signings added to the problems and the second half of the season delivered just four wins and for a while relegation was a real possibility before safety was finally achieved.

2017/18 was one of our most exciting seasons in the Southern League, our seventh, with the side in playoff

contention right up until the final few games. Our peerless record against those sides who ultimately claimed the top places, with just the single defeat in 12 games, including a notable double against champions Beaconsfield Town, underlined how competitive a side we were. Still struggling for goals, it was our defence that led the way with 16 clean sheets. It was a season that saw ever-green skipper Alan Hedley pass the 500 games mark and manager Danny Edwards reach 700 games in charge. Saints embrace change but enjoy stability at the same time.

2018/19 saw Saints return to the Isthmian League after 12 seasons as football was restructured. An inconsistent defence and a shortage of goals ensured Saints were unable to escape the mid-table places. Towards the end of the season, Danny Edwards signalled his wish to step down from the role he had held with such distinction and Saints had to begin the process of finding a new manager.

If 2019/20 season became the one that never happened, it provided a new launch point for Chalfont as Finlay Johnson took over the reins. New faces and promising youth saw the season start well but a lack of goals eventually started to take its toll. A mid-table finish looked to have been secured before the lockdown put a premature end to the season.

Silverware for both the Under-18s and the Under 23s certainly raised the spirits in the club in the 2020/21 season but for the Senior side the season barely got going before it was abandoned.

2021/22 proved to be a season of shattered dreams. The optimism of an opening day win soon turned into a season best watched from behind the sofa as it seemed that everything that could go against the side did. Several changes of manager failed to halt the slide and with too many games decided by a single or a late goal, and with a squad decimated by injuries and departures, relegation from Step 4 after 11 seasons was confirmed in a play-off game.

2022/23 was a tough learning experience for Saints. A preseason that saw the management and playing squad hollowed out for the second time in recent years ultimately proved too much for manager Dean Goodliff and in the new year Michael East and Liam Dwyer took joint control of the team. The threat of relegation never went away and in a crazy end to the season when the three bottom sides couldn't help but win, Saints held their nerve at Harefield to secure the final day win to ensure safety.

Saints will look to take the lessons learned from a chastening season into 2023/24 with a greater sense of confidence and stability and will be looking to the higher regions of the table and not looking down.
